LINCOLN COUNTY

MARCH 2019

Lincoln County Healthy Living Directory

This directory was created as part of the 2019 Lincoln County Fitness Challenge.

This directory was created as part of the 2019 Lincoln County Fitness Challenge to make sure residents from across the county had ideas and approximated distances of places they could walk. It is NOT intended to be a fully comprehensive list. Nor does it make any assurances as to the safety of the area such as condition of sidewalks, trails, lighting, etc.
